ARTICLE 39. Nonpublic Schools.

Part 1. Private Church Schools and Schools of Religious Charter.

§ 115C-547. Policy.

In conformity with the Constitutions of the United States and of North Carolina, it is the public policy of the State in matters of education that "No human authority shall, in any case whatever, control or interfere with the rights of conscience," or with religious liberty and that "religion, morality and knowledge being necessary to good government and the happiness of mankind . . . the means of education shall forever be encouraged." (1979, c. 505; 1981, c. 423, s. 1.)

§ 115C-548. Attendance; health and safety regulations.

Each private church school or school of religious charter shall make, and maintain annual attendance and disease immunization records for each pupil enrolled and regularly attending classes. Attendance by a child at any school to which this Part relates and which complies with this Part shall satisfy the requirements of compulsory school attendance so long as the school operates on a regular schedule, excluding reasonable holidays and vacations, during at least nine calendar months of the year. Each school shall be subject to reasonable fire, health and safety inspections by State, county and municipal authorities as required by law.

The Division of Nonpublic Education, Department of Administration, shall ensure that materials are provided to these schools so that they can provide parents and guardians with information about meningococcal meningitis and influenza and their vaccines at the beginning of every school year. This information may be provided electronically or on the Division's Web page. This information shall include the causes, symptoms, and how meningococcal meningitis and influenza are spread and the places where parents and guardians may obtain additional information and vaccinations for their children. (1979, c. 505; 1981, c. 423, s. 1; 2004-118, s. 4.)

§ 115C-549. Standardized testing requirements.

Each private church school or school of religious charter shall administer, at least once in each school year, a nationally standardized test or other nationally standardized equivalent measurement selected by the chief administrative officer of such school, to all students enrolled or regularly attending grades three, six and nine. The nationally standardized test or other equivalent measurement selected must measure achievement in the areas of English grammar, reading, spelling and mathematics. Each school shall make and maintain records of the results achieved by its students. For one year after the testing, all records shall be made available, subject to G.S. 115C-174.13, at the principal office of such school, at all reasonable times, for annual inspection by a duly authorized representative of the State of North Carolina. (1979, c. 505; 1981, c. 423, s. 1; 1987, c. 738, s. 180(b); 2004-199, s. 30(a).)

§ 115C-550. High school competency testing.

The nationally standardized test or other equivalent measurement selected must measure competencies in the verbal and quantitative areas. Each private church school or school of religious charter shall establish a minimum score which must be attained by a student on the selected test in order to be graduated from high school. For one year after the testing, all records shall be made available, subject to G.S. 115C-174.13, at the principal office of such school, at all reasonable times, for annual inspection by a duly authorized representative of the State of North Carolina.
